

Finding a network dentist is easy @ www.ucci.com!

Looking for a dentist in your area? Just log on to **www.ucci.com**! Our Find a Dentist feature lets you find the names and locations of dentists who participate in United Concordia's provider networks. Your dental program utilizes the **Advantage *Plus* network.**

You can search for a provider by last name, specialty, city, county or zip code, or within a specific distance of a zip code. The online directory is updated weekly, so you can access the most accurate and up-to-date information.

Our customer service representatives are also available to assist you with questions concerning your dental coverage at:
